Dispensation Details

Substitute *	<input type="checkbox"/> Mark the checkbox if brand name (when allowed) has been substituted or package size has been changed
Dispensed Product	LANTUS INJ.SOL 100 IU/ML CARTR,3ML BTX5CARTR,X3ML
Dispensed Package Size	<ul style="list-style-type: none">unknown<ul style="list-style-type: none">5 unit(s) Solution for injection
Dispensed Number of Packages	1

* If substitution of brand name is marked as not allowed, pharmacists may still consider dispensing the national equivalent even though the brand name might be slightly different.

This is a known situation: the same pharmaceutical company is marketing the same medicinal product in different countries with slightly different names due to marketing reasons. If the pharmacist is certain that this is the case, the systems allows the input of the new brand name.
